

The greatest threat to our planet is the belief that someone else will save it!

Looking forward to maximum participation and remember :

March, 2020.

Thus, to accomplish this mission of giving services back to the society, we seek your cooperation and voluntary contribution of old used/unused notebooks. Parents and students can deposit the notebooks in the school on the P.T.M day – 21st

preparing 4 lakh new notebooks.

- It will help to save trees and water equivalent to number of trees and water used for underprivileged children with meagre resources for purchasing the stationery.
 - The target of raising 4 lakh notebooks will get a boost, notebooks will be distributed to
 - It will create feeling of selfless giving and ownership among students.
 - It will help in developing compassion among students donating used notebooks.
- Benefits of the Projects:**

- **RECYCLE** : Used pages of collected notebooks will be recycled for new notebooks. Segregation of used and unused pages; and finally making new notebooks by binding segregated unused pages of used notebooks.
- **REUSE** : Collected used notebooks will be sorted as per their composition and size. redistribution of newly bind notebooks to underprivileged children.
- **REDUCE** : Reducing wastage of stationery by collecting used notebooks from the school and

'Give Paper Back' – the project by Youth for Seva and ONGC Foundation targets to provide assistance to underprivileged children residing in tribal areas of India by providing notebooks at no cost. The project is based on 3 R's concept.

Dear Parents,
Taking a step further in our endeavours to create aware and responsible citizens, JIS takes pride to announce its COLLABORATION WITH 'Give Paper Back' – a project by Youth for Seva and ONGC Foundation.

*REUSE THE PAST
RECYCLE THE PRESENT,
REDUCE POLLUTION
IN THE FUTURE.*
