**2020-21**

**Here comes the Summer Break!!!**

**"Only the harshest personal experiences open our eyes to the immaculate possibilities and the splendour of our world"**

Let's not fear change start embracing it because life is all about changes, moving on and looking forward to the predicaments where life makes us stronger and adaptable.

Summer vacations have always been a much awaited time and is always looked forward by children when they explore everything and go beyond the classroom teaching and textbooks. Unfortunately this time the vacations came in this unforeseen difficulty of Corona Pandemic but lets not forger that this time a new opportunity with completely different wings has landed in front of our students for discovering themselves while staying at home and being safe.

Utilise your time optimally, complete your holiday homework and keep revising the syllabus already covered in the class.

Note: Keep checking the school website for further notifications and do not use plastic folders, use paper folders instead of them if needed.
