Crowned with Himalayas

Towering up the Sky.

The land beneath is

My India.

where the mountains kiss the sky and the desert extends wide.

Where diverse society sparkles

Where family values remain strong with pride

Such is the magnetic charm of our beautiful country 'India 'sitting in the laps of Himalayas. Imagine yourself as a travel writer who has been given a chance to go and explore the indescribable beauty of this country and its snowcapped mountains and breath-taking beaches. Be a part of the travel literature and express the scenes of lofty mountains, unforgettable language, unadulterated cuisine, viewable places, religion and way of dressing up etc. of India in the form of power point presentation, travel blog or documentary with pictures in it.

Note: Video should not exceed the time limit of ten minutes and it should not be less than four minutes

For power point presentation, minimum slides to be prepared must be five and maximum slides must be ten excluding the slides sharing students' details)

Students must mention his/her name, class and roll number in the first slide.
